

COMPANY PROFiLE

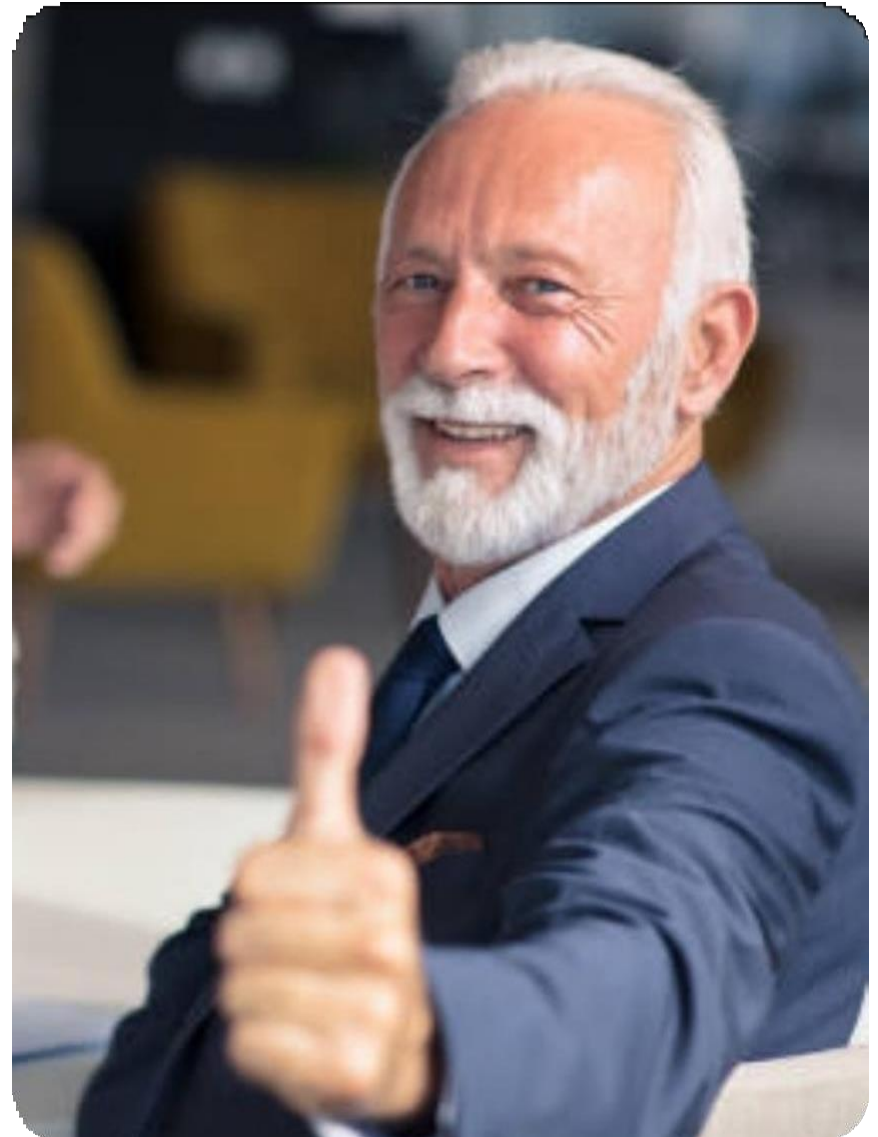

INTRODUCTION

Amazonminers Investment a leading financial services company that promotes cryptocurrencies, tradable tokens and decentralized finance (De•Fi) while leveraging a multi•level marketing structure. With her headquarters in Limassol Cyprus, Amazonminers Investment operates under the European Markets in Financial Instruments Directive (MiFid) and is regulated by CySec under license 367/18 since 2018 and is a Member of the Investor Compensation Fund (ICF).

Amazonminers is backed by a team with backgrounds in Forex, Finance and Technology. The company aims to provide retail clients with the same trading conditions that institutional clients have access to. Amazonminers Investment is an investment company located at 319, 28th October Street Kanika Business Center, Office 201B Limassol, 3105, Cyprus and it was founded on July 30, 2018.

AMAZONMINERS

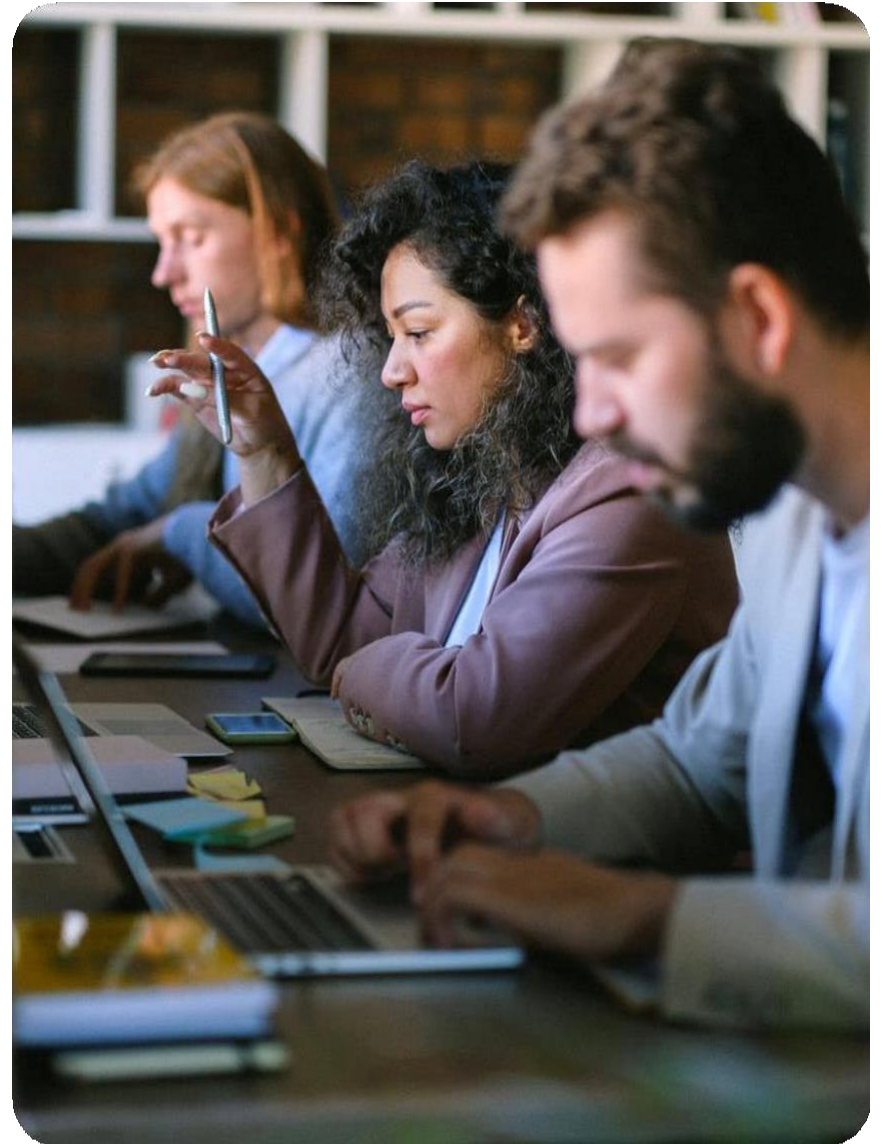

Amazonminers Investment is an investment platform where returns are paid out as early as Seven (7) days. We are a broad company that doesn't only engage in forex trading and crypto investment but also engage in optimization of decentralized finance, real estate, construction, engineering and procurement. When you invest through any of the available medium provided, the company uses your investment and engage in their business and after the stipulated amount of time, they return your capital back to you as well as your interest.

This company is managed by professional traders and expert developers with its vision and aim to help those willing to attain financial freedom but lack the technical know-how to achieve this. We took this grave responsibility alongside our personal ambition to be the primus inter pares of the crypto world to

surpass investors' expectations with ample returns to their investments via our investment plans. We have perpetuated our vision to remain at the pinnacle of the crypto world through the opportunity offered to our distinguished clients. Through our unique combination of expertise, research and global reach, we work tirelessly to anticipate and advance what's next while applying collective insights to help keep our clients at the forefront of change. Built as a global network of innovative investors, our equitable team continue to be recognized as industry leaders in a range of investment areas.

VALUES AND SERVICES

Amazon miners Investment offers an opportunity for you to grow your investment portfolio by providing standard plans with bitcoin as the base currency. We pride ourselves on consistency and transparency. No

registration fees, subscriptions or administration fees. No packages or expiration of your crypto capital. With 100% transparency and proven track record we guarantee you a truly passive income opportunity and you do not require any trading knowledge become a member.

As soon as you start an investment plan, your capital goes into a trade and you start getting profits daily.

After the investment plan is completed, you can choose to either withdraw or top-up your capital and invest again for higher yield. All withdrawals are processed instantly and we do not ask for withdrawal fees. Give us a chance, let Amazon miners Investment successfully trade for you in the financial market. We offer a great opportunity to earn a passive income by doing absolutely nothing. We do not operate a pyramid scheme but we put in real work to generate genuine and legal profits for our investors.
